

Rebeckha Lynn Whitefield Memorial Scholarship - AHS

Ralph Waldo Emerson wrote “knowing that one life has breathed easier because you have lived, that is to have succeeded.” Rebeckha Whitefield, or “Becky” as her friends like to call her, emulated success everyday through her words and actions. She showed us what teamwork, honesty, family, and true friendship really mean. It is because of these qualities that the Rebeckha Lynn Whitefield Memorial Scholarship was established.

In approximately **350 words**, please describe to the foundation how YOU will try to impact others the way Becky did for so many of us. Include **specific details** that you feel will help the foundation better understand you and your qualities as a person.

Sadly, this May marks the 10th anniversary of Becky’s tragic passing. In honor of her birthday, February 21st, and her field hockey number, 7, scholarships for this year only will be for \$777 instead of \$500.
